## Country Rankings

### Labor

With a highly skilled and educated labor force, Japan imports natural resources and exports high-demand, capital-intensive finished goods.

### Culture and Business Etiquette

Having respect for status and the elderly, dressing formally, greeting groups by applying Japanese customs, and using a modest dialect are key steps to building strong relationships.

### Tariffs and Regulations

Low taxes, high global engagement in bilateral trade agreements, and the Regional Comprehensive Economic Partnership free-trade agreement make Japan a viable partner for growth and global inclusion.
