### Business Landscape

Aims to establish Vilnius as a global innovation hub, striving to **compete with major Western European tech hubs.**

3

### Economic Stability

**A bustling free market economy** with a strong rule of law and a robust private sector, but **regional geopolitical tensions and conflict have stagnated growth.**

5

### Fluency in English:

Ranked 19th on the [Education First English Proficiency Index](#); **highly-proficient English-speaking country**, particularly among younger citizens.
