Tariffs & Regulations

Hong Kong boasts a straightforward and transparent regulatory structure, featuring zero tariffs on imports and a strong commitment to fostering free trade through various agreements.

Labor

With a robust Labor Force of 3.8 million people, Hong Kong is praised with skilled workers; however, the education rate has dropped to 75%.

Ease of Doing Business

Hong Kong, securing the 3rd position on The World Bank's Ease of Doing Business Index among 190 countries, distinguishes itself by facilitating a rapid business launch, averaging only 3.5 days compared to the regional norm of 59.4 days.
